Subject: West Lake Landfill: draft agenda bullets for Congresswoman Wagner's briefing

Here's a first draft of the bullets we discussed in our pre-briefing today:

- Brief historical background of the site and how the contamination got there [Dan]
- Brief discussion of investigations and the Record of Decision (ROD) [Dan, DeAndre, Cecilia, Debbie]
 - o Remedies evaluated
 - o Selected remedy, and why it was selected
 - o Comments received, especially from FAA, local water utility, Coalition
- Supplemental Feasibility Study (SFS) and remedy alternatives currently under consideration [Dan, DeAndre, Cecilia, Debbie]
 - o Re-evaluation in more detail of remedial alternatives already studied in the ROD
 - o Consultation with the EPA's National Remedy Review Board (NRRB)
 - o Addendum to the SFS to address NRRB comments
- Current status and future decision-making process [All]
 - o Subsurface smoldering event in a non-radiological landfill cell at the site, Missouri DNR role, and St. Louis Airport letter
 - o Additional groundwater sampling
 - o Surface gamma survey with EPA's ASPECT airplane
- Stakeholder concerns [All]
 - o Location in a floodplain
 - o Potential impacts to drinking water supply
 - o Proximity to the Lambert - St. Louis Airport
 - o Subsurface smoldering event and odor issues
 - o Site transfer to the US Army Corps of Engineers and the Formerly Utilized Sites Remedial Action Program (FUSRAP)
